

Digital Advocates Network

Cambridge Digital Advocates community

25th June 2018

E-Learning Suite, [School of Clinical Medicine](#)
Cambridge Biomedical Campus, CB2 0SP

10:00 – 14:00

Session Outcomes:

1. To gain an understanding and appreciation of how digital technologies are changing teaching delivery across our disciplines
2. To create a shared understanding of what the role of this community is within the Cambridge digital vision
3. To critique the JISC digital capabilities framework for the Cambridge context with the intention that we may adapt and adopt all or part of it

Outline:

Time	Description
