

Annual Meeting: Director of Graduate Education and Graduate Tutors

Monday 30th September 2019, 10.00 - 12.30

9.45	Sign in and coffee	
Priorities in postgraduate education		
10.00	Welcome and panel presentations	Meg Tait: welcome, aims and introduction Graham Virgo: university priorities for graduate education Stella Swaine, CUSU Welfare & Rights Officer, on behalf of Alessandro Ceccarelli, President of GU: review of GU work and upcoming focus
10.25	Facilitated discussion in small groups	What is the interface between the roles of DoGEs and GTs? Is there one? If not, would it be useful and how might it be facilitated? What issues have you observed in your work supporting graduate students in Departments and/or College? Are there any trends or patterns? What are the key issues facing graduate education/which issues to prioritise in the coming year? How can CCTL help facilitate this work?
10.45	Small groups report back to plenary	
11.00	Coffee break	
Supervisor development		
11.30	Launch of online supervisor development module	Anna Gannon: Snapshot of history of supervisor development programmes at Cambridge and launch of new online programme
11.45	Facilitated discussion in small groups	What particular issues have you observed about the graduate student/supervisor relationship? From the DoPGE/Department perspective, have issues important to supervisors and their development changed? From the PGT/College perspective, have student expectations of supervision changed?
12.10	Small groups report back to group	
12.20	Wrap up of key points and take-ways	Graham Virgo: summarise key points and Cambridge context Steve Joy: overview of CPD support of research supervisors and researcher development for graduate students
